## Directions and Cleaning Instructions

Dear Guest:

We have been blessed to have great renters at our condo who have taken care of our home like it was their own. To date, we have never had theft, damage or abuse. Further, we usually have guests who leave the condo very clean. I have enclosed a detailed list of what would be required to receive your entire \$200 deposit back. Please leave the condo in good and clean condition or our next guests will be receiving part of your deposit for the inconvenience of having to clean up after you. Please be sure and lock up securely and leave your keys in the lock box upon departing. Please allow 10-14 business days to receive your deposit back. Thanks for staying with us!

Take Al 59 South until you get to 182 (West Beach Blvd.) in Gulf Shores. Turn Right on West Beach Blvd (182). Go approximately 1.5 miles. Sunchase will be on your left. There is one designated parking spot for #202
